

COMPLEMENTARY FEED FOR HORSES

1. Description

- Brown pellets

2. Intended use

CAVALOR NUTRI PLUS is a comprehensive, effective, tasty and highly palatable sport horse feed supplement. It contains all the vitamins, minerals, trace elements, electrolytes, fatty acids and amino acids necessary for the health, growth, and development of the bones and the stress resistance of the sport horse. Cavalor Nutri Plus can be used as ration balancer for Sport Horses.

3. Directions of use

Dosage per animal per day:

- Young horses: 100g/day
- Sport horses: 230g/day
- Maximum per horse: 400g/day

4. Product Features

- Vitamins: to support bones, growth, cell growth, metabolism, stress reactions, ...
- Minerals: (calcium, phosphorus, magnesium, sodium chloride) To support muscles and bones
- Organic trace elements: These are minerals that are bonded to amino acids. The major action of chelated minerals can be attributed to their increased availability and ability to target specific tissues and systems within the body following absorption.
- Amino acids: To promote growth and muscle action.
- Fatty acids: To improve the horse's condition.

5. Analysis

Crude Protein	12%
Crude Fat	5%
Crude Ash	41.5%
Crude Fibre	1.6%
Calcium	10%
Phosphorus	3.3%
Vitamin A	650 000 IU/kg
Vitamin D3	75 000 IU/kg
Vitamin E	10 000 mg/kg
Copper	1 250 mg/kg
Selenium	18 mg/kg

6. Storage & Packaging

- Pail 5 kg , bags 25 kg
- Keep dry and at mediate temperatures
- Use until 1.5 years after production date
